*is still only \$99*

**1345 Second Street Downtown Sarasota, FL**  
**941-330-8000 [www.johncarlspa.com](http://www.johncarlspa.com)**

## **As a community note:**

The poor of our Sarasota community needs our help. The family of John Carl has adopted a group of 14 poor adults. They have various health and ability issues. This Christmas with the help of our staff and clients, we were able to take fourteen bags of toiletries, paper products, sox and the like. as well as fourteen bags of non perishable foods. To see how this can help is truly mind boggling. We have decided to do this year round. We will take what we can on at least a monthly basis. If anyone out there would like to help... We can take donations of non perishable foods, money of course, but not large amounts...We have connected with some of the community to also help... We who have so much... to those who have so little... We appreciate any thing you can do.
